

Open Doors Program Agreement

2016-2017

Eugene Sudbury's Open Doors Program is our community funded scholarship program for K-12 students. This program is available only to students who have not been enrolled during the current school year and is based on an interest in obtaining a democratic education. It provides a full tuition waiver for October, November, December, and January. At the end of the Open Doors Program families will be required to pay the \$250 month or remaining balance of \$1250, even if they choose not to continue the year. This scholarship is made possible in part from a generous grant from Oregon Community Foundation.

Open Doors Program Fees

After attending the Open House you may turn in an application and will be required to pay a \$100 supply fee at the time of the interview. This fee goes towards replenishing supplies in the school such as notebooks, pens, paper, tissues, science material, art supplies, games, books, etc.

The Open Doors Program is a partial year scholarship that lasts from the date the student is admitted until the end of the end of January, or the end of the 1st semester. After that time families will be responsible for students' tuition. Families will automatically qualify for tuition scholarship of \$250 a month. If families are worried about the cost of attendance after Open Doors they should contact our office to discuss a payment plan when the student first enrolls.
